W.P.(C)NO.13278 of 2007

Dated this the 13th day of April, 2007

JUDGMENT

The petitioner is a borrower of loans from the Kerala State Financial Enterprises Limited which the petitioner has not repaid. The contention of the petitioner is that substantial payments have been made by the petitioner which has not been accounted for in the accounts of the first respondent and now recovery proceedings have been initiated for recovery of huge amounts which according to the petitioner is not due from him. In the above circumstances, the petitioner seeks a direction to the first respondent to give him a detailed statement giving split up details of amounts due, payments made, dates of such payment, calculation of interest etc.

2. I have heard the learned counsel for the petitioner as also the learned standing counsel appearing for the respondents. In the facts and circumstances of the case, there would be a direction to the first respondent to furnish to the petitioner a

detailed statement of accounts regarding his loan account showing the amounts due, payments made by the petitioner with dates thereof, mode of calculation of interest and the balance amounts due, as expeditiously as possible, at any rate, within two weeks from the date of receipt of a copy of this judgment.

The writ petition is disposed of as above.
